New aerial photos available on the updated website: [www.harbourlightsmarina.on.ca](http://www.harbourlightsmarina.on.ca)

## WELCOME TO SOME AND WELCOME BACK TO THE REST

Well, 2020, that was some entrance! Although this season has seen some delays, we are excited for the boating season of 2020 to get underway!

It is time to start preparing our vessels for the season ahead. Bayfield Marine Services is located at 23 Fisherman's Wharf, for all of your purchasing needs, you can reach them by phone: 519-565-2411 or email: [bayfield@tcc.on.ca](mailto:bayfield@tcc.on.ca).

We wish you a season of sunshine, perfect wind and happiness!

## LAUNCH 2020

Due to COVID-19 we are enforcing some new rules during launches (as seen below).

Ensure you are social distancing.

Make sure you have in place and ready:

- Your boat keys to start your engine
- All plugs are in place
- All batteries are already aboard your vessel
- Dock lines are ready to go
- Fenders are fastened in place

Remain inside your vehicle until a gesture is given from staff. Allow staff to move away before you approach your vessel. Maintain 2 meters from each person not in your household.

We will provide a stepladder to help those who need assistance getting on board. There will not be one on one contact for assistance.

## GARBAGE, RECYCLING, FUEL AND PUMP OUTS

Garbage is collected weekly, on Thursday.

Recycling is collected weekly, on Wednesday.

Fuel and pump outs available on the South shore at the Village of Bayfield Marina, call ahead on Channel 68 (preferred) or 519-565-2233.

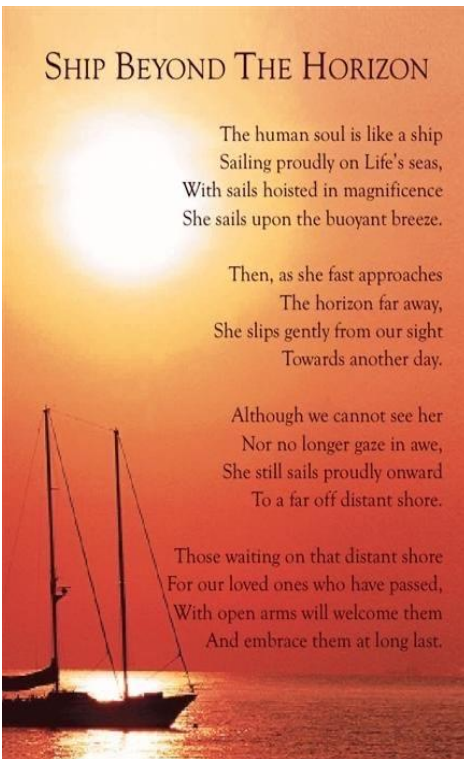

**Karol Yeryk**  
03- June- 1955 – 04- Mar- 2020

### A FOND FARWELL

Karol was an intricate part of the Harbour lights team. He was our onsite carpenter, colleague and friend.

A great man who loved his family and was always ready to lend a helping hand.

Karol will be greatly missed.

## A GUIDE TO RESPONSIBLE SOCIAL DISTANCING FOR ALL BOATERS:

### Office:

We encourage communication and payment over phone and email, the front door will remain closed.

### Arrival:

Parking areas

- Leave space between vehicles/park in every other spot where possible
- If two vehicles arrive at the same moment and park beside each other one vehicle/family waits in their vehicle while the first to arrive unloads and moves from their vehicle to their boat

Route from vehicle to boat

- Proceed directly to your boat, fully respecting Social Distancing

### Marina Life:

Playgrounds, recreation/picnic areas, swimming pool and laundry facilities

- All will remain closed following the guidelines set forth by the Ontario government. As our situation evolves some facilities will be open under capacity limitations and provincial directives

Washrooms

- Boaters are encouraged to use onboard facilities as much as possible
- Washroom facilities will remain closed until further update from the Huron County Health Unit

### On & around the docks:

Barbeques/Fire pits

- Boaters are encouraged to use onboard cooking facilities
- Fire pit areas will remain closed

Social gatherings

- Gatherings are not to take place on the docks, walkways, shore or elsewhere on the marina property
- All marina events will be modified or postponed

**We encourage all boaters to respect social distancing at all moments on the property and on the water. Only go boating with those in your immediate household. We encourage all boaters to wash their hands/hand sanitize frequently.**

**The summer of 2020 presents a wonderful opportunity to get off the docks and venture out onto the water. Please be mindful while you are out there – rafting boats together is not recommended.**
